

## Diversity & Inclusion

The team of lawyers and staff of Bullivant embrace and strive for diversity, including diversity in thought, background, and experience. We believe diversity strengthens our firm and community, enhances our ability to problem solve, adapt, and address challenges, and generates creativity, innovation, and inclusiveness. We serve our clients best and strengthen the firm's future by attracting, retaining, developing, and promoting the best talent. For Bullivant, doing our best to promote diversity comes together with our mission to provide exceptional service and advice to our clients. We strive to expand our diversity by recruiting, mentoring, and promoting diverse and women lawyers.
